

Customer Information for the 2010 Grove Park Arts & Crafts Show

We will hand out receipt forms to customers waiting in line prior to the opening of the show on both Friday and Saturday in order to expedite the checkout process. Customers will be escorted to our booth when the show opens in order to prevent running and to allow all customers waiting in line to arrive at our booth at the same time. Please be courteous to your fellow attendees and the other vendors.

A different selection of experimental pieces will be available for sale at the opening of each day of the show. The selection of experimental pieces that will be available for sale at the opening of the show on Saturday and Sunday will be put out in our booth for preview 1 hr prior to the show closing on Friday and Saturday, respectively. There will be no sales or holds of pieces on preview.

No photos may be taken in the EFP booth unless prior permission has been obtained from the EFP booth staff.

EFP has donated a very special piece to the silent auction again this year. Make sure to check it out.

Most importantly, thank you for attending and for supporting our studio!
